### Avenue of the Baobabs & Beyond

~ Programs including the Kirindy Forest and Tsingy de Bemaraha also available ~

The world famous **Avenue of the Baobabs** is an extraordinary stand of huge baobab trees *Adansonia grandidieri*. Located 30 minutes north of the town of Morondava on the west coast it is one of the most visited sites in Madagascar.

Some of the trees are over 800 years old and reach a height of 30+ meters. The **Avenue of the Baobabs** is a photographers paradise and especially beautiful at sunset and sunrise.

**Excursion Includes:** Transportation by 4X4 (driver & fuel) and visit to the **Baobabs in Love**.

#### 'Baobab Quest - Beyond the Avenue of the Baobabs' ©

For those with a special interest in baobabs (succulents, orchids and other fauna) we offer extended tours to seldom visited / hidden groves of trees throughout Madagascar.

On our 'Baobab Quest' we go for a closer look at these strange and wonderful sentinels in the South & Western Regions of the island.
